The RX didn't just set the standard for the category; it created it. And now, it offers a bold new vision of design, technology and performance. Completely reimagined from the ground up, the 2023 RX captivates with its sleeker profile, more powerful stance, and inviting, driver-focused cabin. Inside, the highly intuitive Lexus Interface<sup>1</sup> features an available 14-inch touchscreen display that is so

intelligent, it becomes an extension of you. An all-new platform delivers refined comfort and nimble handling. And pushing exhilaration to even greater heights, the first-ever RX F SPORT Performance introduces an advanced hybrid powertrain—and is the fastest RX ever.<sup>2</sup> This is the next generation of luxury, as you've never experienced before. This is the new RX.

1. Lexus Interface services depend on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. See usage precautions and service limitations in *Owner's Manual* and [lexus.com](https://www.lexus.com/privacyvts) for additional limitations and details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts>. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply. 2. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. 3. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. 4. NuLuxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. 5. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected wirelessly to the vehicle. Apple CarPlay and iPhone are registered trademarks of Apple Inc. 6. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at [g.co/androidauto/requirements](https://g.co/androidauto/requirements). Vehicle user interface is a product of Google and its terms and privacy statement apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android Auto is a trademark of Google LLC. 7. Lexus Safety System+ 3.0 effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. 8. Do not rely exclusively on Safe Exit Assist. Always look for approaching traffic before exiting the vehicle. There are limitations to the function, detection and range of the Safe Exit Assist system. See *Owner's Manual* for additional limitations and details. 9. Safety Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Requires app download/registration and subscription after trial (if applicable). Service subject to change at any time without notice. Terms of Use apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and [lexus.com](https://www.lexus.com/privacyvts) for additional details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts>. The Safety Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. 10. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Requires app download/registration and subscription after trial. Service subject to change at any time without notice. Terms of Use apply. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Service Connect is not renewable as a stand-alone service, and requires a subscription to any of Safety Connect, Remote Connect or Drive Connect upon trial expiration. 11. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Digital Key also requires Bluetooth connectivity. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Terms of Use apply. Data charges may apply. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual* and [lexus.com](https://www.lexus.com/privacyvts). To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts>. The Remote Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. Terms of Use apply. 12. Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to [att.com/lexus](https://att.com/lexus) for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB of data use or the 1-month trial period ends. Subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Terms of Use apply. 13. Apple and Apple Music are trademarks of Apple Inc., registered in the U.S. and other countries. 14. Amazon Music and all related marks are trademarks of Amazon Technologies, Inc. or its affiliates. 15. Drive Connect availability and accuracy depend on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Services subject to change at any time without notice. Requires app download/registration and subscription required after trial (if applicable). Terms of Use apply. See *Owner's Manual* and [lexus.com](https://www.lexus.com/privacyvts) for additional limitations and details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacyvts>. The Drive Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial (if applicable) to access the service. Terms of Use apply. 16. Lexus provides complimentary maintenance for your first two scheduled visits at the earlier of 6 months/5,000 miles and 12 months/10,000 miles. To schedule these services, contact your Lexus dealership. Please refer to your vehicle's *Warranty and Services Guide* for service details. These services apply to Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. 17. Intuitive Parking Assist with Auto Brake is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, and size may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. 18. Rear Cross-Traffic Braking is intended to assist a driver, but it is the driver's responsibility to be aware of the vehicle's surroundings. The system cannot prevent all collisions, and performance is dependent on road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 19. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. 20. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depend on many factors, and service may not be available in every location. Use common sense when relying on information provided. Services and programming subject to change. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for additional limitations and details. 21. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 22. Do not overly rely on Advanced Park and use only in accordance with applicable laws. When parking using the hands-free feature, always pay attention to the vehicle's surroundings. Before operating, refer to *Owner's Manual* for additional instructions and limitations. 23. Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See *Owner's Manual* for limitations. 24. Mark Levinson is a registered trademark of Harman International Industries, Inc. 25. Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VDIM will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. 26. Tire life may be substantially less than mileage expectancy, depending on driving conditions. 27. Traffic Jam Assist is not an automated driving system. The system requires driver supervision at all times and is designed to function on most highways/freeways at speeds of 25 mph or less. Use this system in accordance with applicable laws. Before operating, refer to *Owner's Manual* for additional instructions and limitations.

Vehicles shown may be prototypes and/or shown with options. Actual models may vary.
